

## **IAP NEONATOLOGY FELLOWSHIP**

### **DEPARTMENT OF PEDIATRICS, GOA MEDICAL COLLEGE, BAMBOLIM, GOA**

The neonatal unit of Dept of Pediatrics, Goa Medical College offers an opportunity to do IAP Neonatology Fellowship in the 40 bedded tertiary level Neonatal intensive care unit. This is a centre providing high risk perinatal care with 5000 deliveries per year and intensive care facilities like high frequency and conventional ventilation, CPAP, parenteral nutrition, etc with all invasive procedures being done during care of the newborns. We have trained faculty and excellent academics with support from other specialist units like Pediatric surgery, Radiology and Cardiology. We also run a high risk follow up clinic with full fledged neurodevelopment centre run by a developmental Pediatrician.
