POST DOCTORAL FELLOWSHIP IN PEDIATRIC GASTROENTEROLOGY

Bharati Vidyapeeth Deemed to be University Medical College, Pune, Maharashtra in collaboration with Birmingham Women's and Children's Hospital (BCH) announces the first of its kind University accredited Fellowship Program in Pediatric Gastroenterology

Bharati Vidyapeeth Deemed to be University Medical College, Pune has an advanced Department of Pediatrics. With state-of-the-art infrastructure with multiple well developed Pediatric sub-specialties that offer Fellowship training of a national standing, BVUDMC&H is now starting a combined Fellowship in Pediatric Gastroenterology jointly with Birmingham Children Hospital, (BCH) UK.

The Department of Pediatric Gastroenterology at BCH is internationally acclaimed for providing state of art services for a wide spectrum of GI disorders. The department has impeccable academic credentials and apart from luminal gastroenterology will offer a lateral in-house arrangement for Hepatology exposure as well.

Eligibility Criteria: MD/ DNB (Ped) Course Duration: 2 years Course start date: 01 August, 22

Rotation Policy: 06 months in BVDUMC&H, India followed by 18 months at BCH, UK.

Subsequent to short listing of received applications based on candidates credentials, the Skype interview will be conducted jointly with faculty both from BVDUMC&H and BCH. The interviews would be conducted in last week of June, 2022.

Facilities included at BVUDMC&H: Paid shared accommodation, monthly stipend as per University policy.

Facilities included at BCH: Support for GMC registration, monthly salary as per local policy which will be more than sufficient to cover expenses and accommodation.
