Current Trends in  
**Medical Education**

A compilation of articles selected from Indian Pediatrics—the official journal of Indian Academy of Pediatrics

Editors  
Devendra Mishra  
Dheeraj Shah

ISBN: 978-93-90046-16-4

Current Trends in  
**Medical Education**

A Compilation of seminal articles published in Indian Pediatrics on Medical Education topics.

Medical education, both for undergraduate and postgraduate students and for those training in their chosen specialty, is currently undergoing great change. In Current Trends in Medical Education, Indian Pediatrics puts this change in its proper historical context, and its implications for the future.
